

UP FOR DISCUSSION

THE UP
EXPERIENCE

OCT.25.2012

Spend the day with 16 of the world's most exciting thought leaders, creators and inventors. From the latest advances in technology; what's ahead for our economy; behavior-changing trends; global and social issues; medical discoveries; renewable energy; health and longevity; and much more. It's a day filled with fresh ideas, stimulating conversation, a glimpse into your future and opportunities to network with fascinating people.
